ELTEL – Israeli Expertise, Global presence

For more than 45 years, Eltel has been delivering end-to-end solutions in maintenance, logistics, operations and production for both Defense and Civilian industries.

Having established itself as a leading strategic partner in Israel, Eltel is now expanding its presence worldwide – replicating its proven capabilities to provide customers with a significant advantage in sensitive projects where knowledge transfer and logistical support are critical.

Eltel's Subsidiaries and Strategic Partnerships Worldwide

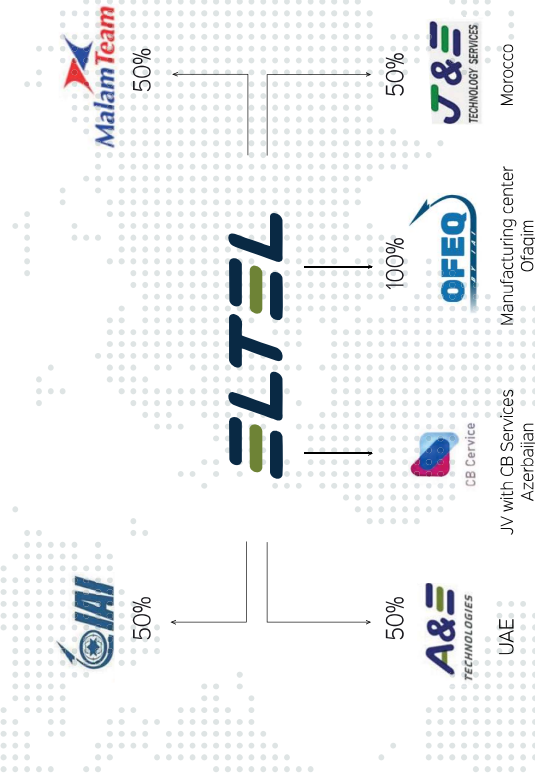

- A&E Technologies L.L.C – Dubai
- JI&E Technologies L.L.C – Morocco
- BC Services – Azerbaijan (Joint Venture)

Regional Positioning and Advantages:

- Regional hub in the heart of the United Arab Emirates.
- Strategic presence in the Caucasus region.
- Gateway for customers in North Africa with high availability and operational flexibility.

Looking Ahead – Global Expansion

Eltel's presence in Dubai, Morocco, and Azerbaijan is only the first step. The company is committed to expanding its operational model to additional countries—offering customers an international support network while maintaining the same high standards of quality, reliability and security.

Eltel's subsidiaries operate as fully fledged international branches, offering clients the same services and proven capabilities as in Israel:

- End-to-end defense and civilian solutions.
- Infrastructure establishment and installations.
- Integrations and testing support.
- Maintenance at all levels.
- Comprehensive logistical support.
- Professional training and instruction services.
- Relocation and management of classified projects.
- Technological support and field services.
- High availability and operational flexibility.
- Full project lifecycle support for international programs.

Eltel – Your Global Partner

Wherever you are, Eltel delivers the unique combination of proven Israeli expertise, comprehensive service and tailored support.
